

Affordable Housing for Sale or Rent?

Does the rising cost of property, land and energy affect you?

Would you like to live in a scenic rural community in an energy efficient house?

Kim Siu, the Moray Rural Housing Enabler, is conducting a housing needs study to identify the need and demand for affordable housing in Drummuir. Anybody who is interested in living in an affordable, energy efficient home in Drummuir should contact Kim.

**“If you have questions or just want to know more. Call. You have everything to gain.
Together lets make affordable housing a reality.”**
